Dear Friends:

In 2014 SF Village continued to grow and embrace the values that define who we are: community, collaboration, lifelong learning and mutual respect among generations. Our 300+ members in 20 different San Francisco neighborhoods appreciate that together we're better, and belonging to something larger than ourselves is an essential condition of being human. Members are determined to live autonomous, meaningful and connected lives in the City they love and they view this stage of life as a time to grow and contribute, just as they've always done.

The programs and services offered by SF Village empower members to live life on their own terms, with vitality and passion. Nothing ignites a joyful heart like connecting with younger generations. Our Mentoring Exchange Program brings together members and 9th grade students from City Arts & Technology High School to engage in deep and meaningful conversations about what matters in life. Our Days of Service connect volunteers of all ages with members who need a little help around the house with chores they can't complete on their own. Technology support helps our members feel confident in a rapidly changing society and provides younger volunteers with the opportunity to make a profound difference in someone else's life. Small acts of kindness reap huge rewards: knowing how to give, how to receive, and that we're all needed.

Thank you for all the ways you support SF Village and our vision to enrich the experience of aging in San Francisco.

Warm Regards,

Kate Hoepke
Executive Director

Mentoring Exchange Program

"For the first time in their young adult lives, they sit with a stranger and share their stories. Stories that many have never told.

Trust happens within minutes."

- Erica Magnusson, Instructor
City Arts & Technology High
School

“I had no idea that I had anything to teach.”

- Jesus, age 17
Tech volunteer at SF Village

Day of Service

“I was relieved of many hours of tedious work...Such an excellent idea is Day of Service.”

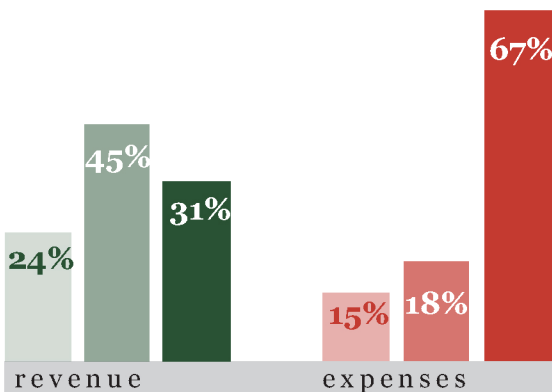

- Eugene, SF Village member

2014 Financial Highlights

San Francisco Village is on solid financial ground with diversified revenue sources, a majority of expenses going to programs, and an established reserve fund.

Our Funders

Since membership fees cover only 31% of our operating expenses, our funders play a critical role in our ability to deliver services and build community. We are especially grateful to:

- San Francisco Board of Supervisors and the Department of Aging and Adult Services for their visionary investment in San Francisco Village
- Archstone Foundation of Long Beach, CA for their pioneering leadership in the field of aging-in-community
- Wallace A. Gerbode Foundation for their faith in our vision to change the experience of aging in San Francisco
